

A Collaborative Project of Vernon Park Village and Health Policy Institute

2022 Membership Agreement

Mother Carr's Farm has partnered with the *Health Policy Institute of Chicago (HPI)* to continue offering a community supported agricultural initiative. Members will receive fresh, pesticide-free produce during the 2022 growth and harvest season. Produce is distributed bi-weekly (twice monthly). The 2022 harvest season typically starts in mid-July and continues until mid-November, weather permitting.

I would like to purchase (please check the appropriate responses):

- Full Membership ... \$475** (14 - 20 lbs ... Large item, i.e., water melon does not contribute significantly to overall weight)
- Half Membership ... \$275** (7 - 10 lbs ")
- I would like my produce delivered to me for an additional \$100 for the entire season

As a member, I understand that I not only share in the bounty of the farm, but the risk as well. I am also responsible for picking up my produce on the designated delivery day. I further understand any produce, not picked-up may be donated.

- Please contact me with information about volunteering at the farm.
- I would like to donate my share to a deserving member or a food pantry.
- I am a previous member of Mother Carr's Farm.
